

CITY OF THURMAN WATER WORKS

The undersigned agrees to all the terms and conditions listed in the following concerning the use of city water.

- I understand that any damages to the water meter due to my negligence may result in fees charged to me for the cost of supplies and repairs.
- I understand that my \$50.00 deposit may be applied to my water account after 2 years if my water has not been disconnected due to non-payment in that time frame.
- I understand that non-payment of my water bill may result in service being disconnected. To get service connected the past amount due must be paid in full. There will be a \$25.00 reconnect fee added to my bill on the next cycle billing date.
- I understand that service may be disconnected for misrepresentation or rule violation such as:
 - Resale of water
 - Waste or misuse of water due to improper or broken pipes or water lines.
 - Tampering with the meter or other water department equipment
 - Cross connecting another property to your water supply.
 - Non-payment of the water bill
- If I desire to discontinue service, I will notify the utility one month ahead of time in written format.
- Customers with pressure vessels or boilers must have a check valve and a vacuum valve on the streamline to prevent collapse.
- All premises are subject to inspection of the meter and fixtures at reasonable hours during the day.
- No unauthorized person is allowed to uncover, touch, or make any connection to property of the water works i.e. the water meter and other fixtures.
