All complaints will be discussed at the monthly Council Meeting. Please allow time for the Council to address nuisances. For a complaint to be considered valid:

- this form must be completely filled out
 - Please make sure your writing is legible
- If you want your name to be left out of the minutes
 - you may make that request in writing.
 - The complained does have the right to face their accuser, and we will comply with that right.
- A Council Member, Mayor or City employee will confirm said nuisance
 - a nuisance will be verified if there is more than one complaint
 - the complaint must be a city matter and not a civil matter.
 - All complaints will be reviewed on a case-by-case basis.
